1 1. My name is Roger Padilla-Flores.
2 I am currently housed at FCI Victorville.
3 I arrived here June 8, 2018 from Texas.
4 My A number is 205513933 and my
5 BOP booking number is 05911-461.

6 2. I am 25 years old and from
7 Honduras.

8 3. At Victorville I am housed at
9 Housing Unit A in a double cell. The
10 first three days I was here, we were
11 constantly locked in our cells 24 hours
12 a day. We were told to bathe ourselves
13 in the sinks in our cells and could not
14 shower. For the first month I was here,
15 every weekend we were on 24 hour
16 lockdown and not allowed out of our cells.

17 4. I have a medical condition
18 called gastritis. It causes severe burning
19 stomach pain. In Honduras, a doctor
20 prescribed me a liquid and pills that
21 helped manage the symptoms!

22 5. I have not been given any
23 medication here ~~at all~~ and I
24 am experiencing a lot of stomach
25 pain. I have lost about 10 pounds due
26 to the pain and not getting enough
27 food.

6. There are no written forms to ask
for medical care. I do not know how to
ask for medical care. I was given no
information or handbook here.

7. There are buttons in the cells
that we can push in cases of emergency.
About two weeks ago my stomach
hurt so bad that I pushed the button.
The officer asked me what was the
problem. I told him and he said that
~~complaints~~

“ mañana” (tomorrow) they would help
me. That did not happen the next day.

8. I was not seen by medical
staff after this. The guards tell us not
to push the button, and we will only be
seen by medical if we are dying. One
officer said, “Don’t be a dumbass”
and told me to not push the button again.

9. This was read to me in Spanish:

I swear under penalty of perjury
that the foregoing is true, and within my
personal knowledge. Signed July 11, 2018
in Victorville, CA.
